

ISO 9001:2008 RABQSA Internal Auditor (In conjunction with CSA Education and Training)

Course Description

The Internal Auditor Course teaches the principles and practices of effective internal audits in accordance with the ISO 9000 series of standards and ISO 19011:2002, "Guidelines for Quality and/or Environmental Management Systems Auditing." Experienced instructors guide students through internal audits that are required for a quality management system based on ISO 9001:2008. Students gain necessary auditing skills through a balance of formal classroom tutorials, practical role-playing, group workshops, and open forum discussions.

This course is certified by RABQSA and meets the training portion of the requirements for certification of individual QMS Internal Auditors.
