

AS9110 Rev. C Internal Auditor

Course Description

Building on knowledge acquired through previous training in the requirements of AS9110 Rev. C, this course delivers the practical knowledge required to conduct internal audits of an AS9110 Rev. C quality management system.

A review of AS9110 Rev. C requirements (including ISO 9001:2015) to ensure thorough and common understanding is followed by information on how to conduct audits in accordance with the ISO 9000 series of standards:

- ISO 19011:2018 - "Guidelines for Auditing Management Systems", and
- "Guidance on the Concept and Use of the Process Approach for Management Systems".

Through a balance of formal presentations, case studies, simulation of audit activities and group activities, participants will learn the necessary elements to perform a quality audit.
